Objective

Motivated and goal-oriented management student seeking a business operations internship to apply leadership, problem-solving, and analytical skills. Eager to gain hands-on experience in business strategy, customer relationships, and sales operations while contributing strong communication, project coordination, and data-driven decision-making skills in a dynamic corporate environment.

Education

Illinois State University, Normal, IL

Bachelor of Science in Management, Organizational Leadership

May 2028

Minor: Business Analytics

Cumulative GPA: 4.00/4.00

Work Experience

Fitness Club “Diana”, Kazan, Russia

June 2022 – January 2024

Marketing Assistant

- Developed and tested customer-facing promotional campaigns for a fitness club serving 600+ clients, supporting membership acquisition and engagement.
- Created social media content and promotional ideas across 15+ fitness and sports programs for adults and children.
- Coordinated website content and social media ideas to improve customer experience and strengthen digital communication.
- Managed event promotions, vendor-booth coordination, and community outreach, building relationships with customers and external partners.

Dinamo Sports Club, Kazan, Russia

October 2021 – January 2024

Assistant Coach, Junior Group (Taekwondo)

- Trained and mentored junior athletes, adapting communication and coaching to individual needs while supporting team performance.
- Coordinated training equipment and assisted with program development, balancing day-to-day operational needs with athlete goals.

City of Kazan Referee Team, Kazan, Russia

October 2021 – January 2022

Chief Referee

- Organized and supervised city-wide tournaments averaging 150 participants, coordinating referees, brackets, scoring, and award ceremonies for smooth event execution.
- Led and mentored junior referees, resolved operational issues, and maintained accurate competition results under time pressure.

Organizations & Volunteer

National Taekwondo Team of the Republic of Tatarstan

January 2018 – January 2024

Member & Coordinator

- Coordinated competition activities and organized youth tournaments averaging 150 participants, working across athletes, trainers, referees, and event stakeholders.
- Researched industry trends and recommended fitness equipment in collaboration with trainers, combining user needs with practical purchasing decisions.
